FAQ:

How long does it take?

Please note that most orders take around 3 weeks to complete from the time the hair arrives at the studio, and 4 weeks for Gold orders. This is due to the high care, attention to detail, and the handcrafting of the silver and gold components to custom requirements. Sometimes I can make a simple design faster to help make a birthday deadline, but this cannot be guaranteed, so please allow the time it takes, or consider a gift voucher if time is a factor.

Mane or Tail?

- Braided Bracelets and Necklaces - Only TAIL hair is suitable for braiding, as it has superior strength and length compared to the mane.
- Tassels - Mane hair is best, but Tail hair can also be used.

Pets and People?

- The Resin range can also be made with your pets hair, or loved one e.g. a baby, wedding or memorial. Braided hair bracelets can only be made with horses tail hair, sorry :)

How Much Hair?

- Bracelets - need a minimum of 40cm in length, and the thickness of a pencil at the 40cm mark when measured down from the cut end, see image at left.
- Braided Necklaces - need a minimum of 60cm in length, and the thickness of a pencil at the 60cm mark when measured down from the cut end, see image at left.
- Braid Drop Pendants - need a minimum of 20cm in length, and the thickness of a pencil at the 20cm mark when measured down from the cut end.
- Tassels - need only a small lock of hair with the thickness of a pencil at the top cut end.

Presentation

Your bracelet will arrive in a lovely pearl blue gift presentation box, along with a Certificate of Authenticity with the date made and the horses name.
